Dear Ms Wright

Thank you for your letter of 15 April 2019 regarding the completion of the coronial inquest into the circumstances surrounding the death of Mr Stanley King. I note the recommendation made by Deputy State Coroner Ms Evelyn Vicker.

The Department of Health's Coronial Review Committee reviewed the findings of this coronial inquest at the August 2018 meeting. The Committee discussed the coronial inquest and endorsed the dissemination of the information to the relevant stakeholders across the Western Australian health system.

The appropriate services considered the recommendation and provided responses and actions that were detailed in the Coronial Liaison Unit's routine six-monthly progress report to the State Coroner in February 2019. The recommendation and case was deemed to be addressed and closed in the report.

I trust that this information will assist the State Coroner to fulfil the annual reporting requirements to the Attorney General.

Thank you for bringing this matter to my attention.

Yours sincerely

**HON ROGER COOK MLA
DEPUTY PREMIER
MINISTER FOR HEALTH; MENTAL HEALTH**
