Dear Ms Wright

**INQUEST INTO THE DEATH OF [REDACTED] (Child RK)**

Thank you for your letter dated 29 December 2025, and State Coroner Jenkin's Findings, including his recommendations, delivered from the Inquest into the circumstances surrounding the death of Child RK. I am advised the Department of Communities (Communities) was engaged in consultation regarding the three draft recommendations that have become final recommendations.

Communities' planning for the implementation of the recommendations will commence imminently in collaboration with internal stakeholders and external agencies. Communities have an internal governance structure that oversees and monitors the implementation progress of all recommendations delivered by oversight agencies.

On behalf of Communities, I would like to thank State Coroner Jenkin for undertaking the coronial investigation into the tragic death of Child RK. The Findings and recommendations will contribute to strengthening our efforts to provide improved outcomes for children in care.

If you have any further queries, please contact Amber Fabry, Chief Practitioner Specialist Child Protection Unit on 0418 295 486 or at [coronials@communities.wa.gov.au](mailto:coronials@communities.wa.gov.au).

Yours sincerely
