PERTH WA 6000

Dear Ms Wright

Thank you for your letter of 26 September 2017 regarding the completion of the coronial inquest into the circumstances surrounding the death of Jared Charles Olsen. I note the recommendations made by the State Coroner.

The Department of Health's Coronial Review Committee reviewed these findings on 24 October 2017. As a result of this discussion the Committee will be seeking further information and advice with regard to potential remediation strategies for clinical information systems. In addition, all Health Service Providers will be informed of the inquest findings and encouraged to review local governance and workflow processes for results management.

Any further actions taken by the Western Australian public health system in relation to the recommendations will be included in the Coronial Liaison Unit's routine six-monthly progress reports to the State Coroner.

I trust that this information, and that provided in the ongoing six-monthly reports, will assist the State Coroner to fulfil the annual reporting requirements to the Attorney General.

Thank you for bringing this matter to my attention.

Yours sincerely

**HON ROGER COOK MLA
DEPUTY PREMIER
MINISTER FOR HEALTH; MENTAL HEALTH**
